

# Tennis for One

a game about the sound of playing tennis

## Instructions:

- \* Point your phone to <https://anuejn.github.io/tennis-for-one/>
- \* Plug in your headphones and wear them
- \* Press "START GAME"
- \* Print this sheet and wrap it around your phone.  
This is now the handle of your imaginary racket.
- \* Close Your eyes. Imagine you are standing at the tennis court
- \* You serve. Swing your racket
- \* Observe the sound of the ball and your opponent.
- \* In the right moment and on the right side, use your racket again
